## SUPPLEMENTAL INFORMATION: ParentSquare

**Purpose:** To provide a unified communication platform for the Cambridge Public Schools to connect and engage with parents and guardians. It aims to streamline communication, eliminate the need for multiple apps, and ensure that all families receive important information in their preferred language and format.

**Amount of Contract:** \$44,803.20

**Description/Scope of Services:** Parent Square offers a wide array of features for both parents/guardians and schools. For parents, it centralizes school communications, allows preferred communication methods, enables two-way messaging, provides access to school information, facilitates responses, and offers language translation. For schools, it provides tools for mass notifications, classroom communication, direct messaging, digital forms, event and volunteer management, appointment scheduling, and secure document sharing.
