SUPPLEMENTAL INFORMATION: SHI (Droplet)

Purpose: Droplet allows for the Cambridge Public Schools to digitize manual processes that often rely on paper and spreadsheets. Its central purpose is to streamline workflows, improve efficiency, enhance data accuracy, and ultimately save time and resources. Droplet achieves this by providing a suite of intuitive tools that enable users to build and deploy sophisticated digital solutions.

Amount of Contract: \$28,950.00

Description/Scope of Services: Droplet is a versatile platform that allows Cambridge Public Schools to:

- Digitize Paper-Based Processes: eliminate manual data entry, reduce errors, and improve efficiency
- Automate Repetitive Tasks: free up valuable employee time to focus on more strategic initiatives
- Improve Data Accuracy and Accessibility: centralize data collection and storage, making information readily available and reliable
- Enhance Collaboration and Communication: streamline workflows and provide clear visibility into processes

Droplet offers a versatile platform to digitize manual processes, automate tasks, enhance data management, and improve collaboration.
