That the following be placed on the Calendar: That

Whereas the School Committee has expressed concern about the Cambridge Public Schools practice of suspending students in grades PreK-2, a practice abolished in some other districts, the Committee requests data from the Administration from the 2017-2018 and 2018-2019 school years on the total number of PreK-2nd grade students who were suspended one or more times in either or both of these years, with, if possible, specification of the number of these suspended PreK-2nd grade students across all demographic subgroups, as well as data on informal suspensions, if available. This data is requested by October 15, 2019.
