--In School Committee--
11/05/2020

Ordered:

That the following be placed on the Calendar:

Whereas the Cambridge Public Schools have implemented layers of protective measures to prevent transmission of Covid-19 within schools, and;

Whereas the school district cannot control community spread of the virus outside of school buildings, and;

Whereas epidemiologists have consistently recommended closing bars, casinos and gyms in order to keep schools open, and; Governor Baker has the authority to restrict non-essential business and social gatherings, therefore be it;

Resolved that the School Committee will send the Governor (and copy the state legislative delegation) a letter urging that he execute restrictions on and/or closures of non-school venues where the virus spreads before the transmission levels suggest the need to close schools, and be it further;

Resolved that Member Rachel and Member Rojas will draft the letter and circulate to colleagues for approval before sending to the Governor. (FF 11-5-2020)
